PRINCIPAL’S REPORT
2013 PREFECTS
The prefect body for 2014 are an exceptional group of young leaders who are looking forward to the roles they will play within the school next year. We congratulate the following students who were elected into the prefect role: Erin Brennan, Emily Burden, Abbi Church, Emma Creasey, Catherine Lambeth, Sophie Lindsay, Brooke Murray, Zoe Ripoll, Katherine Russell, Ella Wright, Rhys Cull, Oscar Dell, Chris Floros, Douglas France, Andrew Loomes, Lachlan Macdonald, Ryan Malcolm, Matthew Murphy, Alexander O’Flynn and Nicholas Trethewey. (see photo below)

RISING STARS – TWUGIA
Courtney Jones and Catherine Lambeth were both participants in the 2013 SWS Twugia project. The project targets gifted and talented Aboriginal and Torres Strait Islander students. This year Courtney was involved in a video project that centered on the stories of Aboriginal Elders and Catherine participated in a one day event on pathway options. Ms Martin attended the presentation event that was held at UWS Campbelltown campus.

VICTOR CHANG AWARD
RECIPIENT
On 19 November 2013 Erin Middleton, Year 11, will receive the 2013 Victor Chang award for Elderslie High School. This award is presented every year and recognises not only the achievements of our top performing Science student but also the ground breaking achievements and research of Dr Victor Chang. Congratulations, Erin!

EHS UNIFORM – CHECK BEFORE YOU BUY!
All students and families are reminded that when they are purchasing school uniform items they should check the website for verification that the items meet the school’s uniform requirements. The policy will outline all uniform expectations, especially in regards to appropriate and approved footwear. Although the number of students wearing inappropriate footwear has reduced significantly since last year there are still some students trying to wear canvas style shoes or leather shoes that do not protect them adequately (eg ballet style). Our advice is that all parents look at this policy and check before money is spent on the wrong items. We thank you for your support in this matter.

The students will receive their badges at the end of year Presentation Evening

BYOD - Bring Your Own Device

Last year the DER (Digital Education Revolution) program ceased and the Dept Education and Communities have been trying to come up with a possible solution for students and schools. Whilst there are no Govt funds to purchase laptops for students Elderslie High School has a large bank of laptops for student use. The BYOD solution will also allow students to bring their own laptop to school in the future. The issue however, is that not all individual laptops will operate successfully on the DEC/School network.

I am enclosing a draft BYOD requirements checklist for your information so that if you are interested in making a purchase over the holiday period you do so with all the necessary information (refer to page 9). The school will be developing a BYOD policy in consultation with parents when the DEC policy recommendations are approved and distributed to schools.

LAST DAY OF THE SCHOOL YEAR FOR ALL STUDENTS

A reminder that the last day of school for all Years 7 to 11 students, is Wednesday 18 December 2013. This includes Year 10. During the last three days, recognition assemblies will be held for Years 7 to 10 and reports distributed. Year 11 have already commenced the HSC program of study and this will continue to 18 December 2013.

Staff will be involved in a two day training and development program before the school officially closes for the December-January vacation period on Friday 20 December 2010. This means that the school Administration Office will be minimally attended during the last two days as the school administration officers will also be involved in training and development.

School resumes for Years 7, 11 and 12 on Wednesday 29 January 2014 and Years 8, 9 and 10 on Thursday 30 January 2014. If for any reason students are unable to commence on these dates in 2014 then it is crucial that the school is informed in writing before the end of this year.

CLEARANCE PROCEDURES

Students are reminded that it is crucial at this time of the year to complete clearance procedures so that the school has the resources for the following group of students. Clearance involves such things as library books, subject text books, costumes and outstanding subject/course charges. Your support in this matter is very much appreciated.

DEPUTY PRINCIPAL’S REPORT

Natalie Martin (DP Years 8, 10 & 12)

On the 21st of October Brett Murray an anti-bullying campaigner spoke to students in Years 7, 8, 9 and selected students in Year 10 and 11. His presentation went for three periods and the focus of his talk was to ‘Make Bullying History” which is also the title of his latest book. Students were very attentive throughout and their understanding of the definition of bullying has improved. A key message that he imparted to students was to ‘flick the switch on the bully’ and this message has since been reinforced at school assemblies and year meetings. Students have been encouraged to report bullying regularly so that it can be addressed immediately. Brett also spoke to staff in the afternoon and parents in the evening. This has been a positive step forward in addressing bullying concerns at Elderslie High School.

Our new school Chaplain began working in Week 4 this term. Her name is Tanya Middleton and she is currently working as a Chaplain at Mt Annan High School for two days and will work at Elderslie High School on Tuesdays and Thursdays. She is very energetic and keen to meet our students and I am pleased to announce that she will be regularly running a variety of workshops to address student welfare needs. She will be coordinating Rock and Water workshops for boys and introducing a new workshop PRAISE (Positive Relationships And Improved Self Esteem) for girls.

Year 12 have now completed their Higher School Certificate examinations. Students can access their Assessment Ranks from Schools Online as of the 6 November onwards. We have been preparing for their final school event which is their school formal to be held on the 13th November at the City Beach Function Centre in Wollongong.

Year 10 will be transitioning into Year 11 in Week 7 which commences on Monday 18 November. Students will be expected to start school at 8.40am and parents may wish to purchase the senior uniform which they can commence to wear in Week 7. Year 10 have an End of Year Function at the Campbelltown Catholic Club on the 12 December. Only students meeting the event criteria are permitted to attend.

On the 31 of October I attended the Twugia presentation at UWS Campbelltown. I was pleased to see that two of our students Catherine Lambeth in Year 10 and Courtney Jones in Year 8 had been involved in this program for gifted and talented Aboriginal students. The quality of work that these students presented was excellent and their experience from being involved in Twugia has helped them to improve their communication and technological skills.
Finally, the Year 10 CAPA Evening was held on Tuesday 5 November. This was a very entertaining evening and it was wonderful to see so many students involved in dance and drama performances. We certainly have a lot of talented students in Year 10. The CAPA Faculty need to be congratulated for their efforts in providing many opportunities for students to perform regularly on stage.

Jennifer Lawrence (DP Years 7, 9 & 11)  
**Semester Two Reports**  
Reports are due to be issued for all students in Years 7-10 from Monday 16 December. This document contains important information about the progress of all students against the prescribed outcomes for each subject they study. One area that often causes confusion for students and their families is the grade that is awarded. This grade is indicated an A, B, C, D or E and is awarded by staff based only on the student’s work in Semester 2. As Semester 1 assessment was already reported on at the Half Yearly report, we feel it is important to make this clear to families.

**ROSA Grades – Years 10 and 11**  
For students in Year 10, staff will also provide a combined grade for the whole year that will be included on the child’s ROSA (Record of School Achievement). It is therefore possible that the Semester 2 report grade and the overall ROSA grade may be different. Year 10 ROSA grades will be available to students from Wednesday 11 December via Students Online at the BOS website. There will be more information provided to Year 10 about accessing these results at a later time.

Year 11 students have already participated in a workshop demonstrating how to access students on line. Year 11 ROSA grades will be available from Wednesday 13 November. All students will need their Department of Education email address to activate their account in the first instance. After they have activated their accounts, they will be able to change their email addresses as they see fit.

**School Life in Term Four**  
As most families would know, Term Four is an exceptionally busy time and Elderslie High School is no exception. Along with our annual presentation evening, recognition assemblies and Year 10 and 12 end of year functions, there are specialist events for Creative and Performing Arts students and induction programs for incoming prefects, peer mediation programs and the list goes on. Since my arrival at Elderslie High School, I continue to be astounded by the diverse range of opportunities provided for our students. Whether they are academic, creative, agricultural, sporting or whether they exhibit promise in a leadership area, there is something at the school for everyone to be involved in. I would like to take this opportunity to acknowledge the efforts of so many staff who provide such a rich school life for the students. It is due to their dedication that these opportunities exist. As Christmas approaches and the bookings in all our family calendars increase, I would like to encourage as many parents as possible to attend our events to help acknowledge the achievements of their sons and daughters.

**“NSW Premier’s Student Volunteering Awards”**  
This year our students have achieved 1 Black Opal Award, 2 Diamond Awards, 2 Gold Awards, 2 Silver Awards and 1 Bronze Award. This is only the tip of the surface of our Volunteers. Many of our Peer Mentors, Duke of Edinburgh Award students, Peer Reading Tutors, exam reader/writers, Stage Crew, Referees and Animal Nursery helpers, who are volunteering regularly, have not entered their hours.

All students from Years 9 and 10 are welcome to join the Award Scheme and there are many volunteering opportunities available to participate in. Get involved now. If you help any neighbours or elderly friends, coach teams, lead Youth Group or any other assistance to aid others then you are a volunteer.

It is easy to be a part of this worthwhile award scheme, it may help you get a job or even a scholarship when you try for university. Last month one of our previous Awardees received her job with the help of her PSVA Certificates.

The NSW Premier’s Student Volunteering Awards program encourages all students to undertake a minimum of 20 hours of volunteering during the time they are in Years 9 and 10. In appreciation of this contribution to the community, students will receive Premier’s Certificates (Bronze, Silver, Gold, Diamond and Black Opal respectively) for completing 20, 40, 60, 80 or over 150 hours of volunteering.

Now is the time to log onto the site and begin to enter your hours. **How To Log On:**  
Log on to the student portal and follow the “other sites” prompt. Scroll down until P and find the Premier’s Student Volunteering Awards then enter new activity. The process only takes a few minutes. If you require assistance see Mrs Rouen, Mr Kafataris or Miss Zammit for help enrolling.

Troy Chauvin – 3rd in 14 – 15yrs

YEAR 7 G&T WORKSHOP
The Year 7 G&T students participated in a Language Workshop with Mr Tan on the 6th September. We made “temari ball” (thread balls) which are a part of the arts in Japanese culture. They represent loyalty in friendships and have been made for centuries.

It took 2 periods to make, with the very long process of wrapping thread continuously around the foam ball. Once it was completely covered, we chose different coloured threads to make patterns, using needles as a guide. It was definitely worth the effort and time.

This was our first workshop and we had a fantastic time meeting other students. We’re looking forward to our next workshop in the program.

JAPAN TRIP 2013- CIFA
The trip began in the early morning on September 20th at Sydney Airport. After farewelling our families we began our long plane trip to Narita Airport, Japan. We were given the most amazing welcome by our host families and the members of the Kashiwa International Friendship Association. After meeting our families we were to spend a further 9 days with them and during this time we were involved in many different activities. We visited a Primary and High School in Japan and it was very interesting to see how the education system worked in a different country. The students and teachers were all friendly and helpful; we got to participate in numerous classes for example Chopstick Making, Calligraphy, Photography, Kendo, Tea Ceremony, Badminton and many more. On our last 3 days in Japan we went with our leaders to Kyoto. While there we travelled by bus, Shinkansen, train, boat and car to numerous places around Japan. These places included numerous shrines and temples, a deer park at Nara where we saw the world’s biggest wooden Buddha and were able to interact and feed deer, and many food stalls and shopping centres. It was a wonderful trip and an amazing cultural experience.

As part of the Crossroad Program, we had a chat with a young man named Matt, who works for NSW Legal Aid representing youth in court. He talked to us about two key areas; the first of those was sexting. When the topic was announced there were, as expected, some giggles from the students – Matt, however, utilised the humour of the issue to retain our attention before hitting us with some hard, undeniable facts.

A sort of nervous silence fell over the year group as Matt explained to us the severity of committing any act involving child pornography – which includes sexting. Sexting itself includes things such as taking, asking for, sending or possessing nude, semi-nude, or otherwise sexual photos of someone under 18; or, sending or possessing inappropriate messages when under 18, or from someone under 18. Matt detailed the types of punishments that could be expected in a sexting case, which include hefty fines, jail time, and a permanent placement on the Sex Offenders Registry, which has its own consequences, such as occupational restrictions (e.g. a registered sex offender cannot become a teacher).

Matt’s talk was really informative and maturely presented; it provided us all with a lot of insight, and perhaps pulled the more risqué students in line. His second area of discussion revolved around Guilty by Association, which involves such things as being in the same vicinity of a crime you know is being committed, or simply possessing knowledge of a crime, or the intention of someone to commit a crime. Guilt by Association can result in a criminal offence. Along with the rest of the Crossroads Program Matt’s talk was a really valuable experience.

The 'U Turn the Wheel', driver awareness day was a real eye opener and relevant workshop as most of our year
The responsibility to influence passengers make Elderslie We've Peer LIBRARY Senior DRIVING group Students (RTA) eyes situations detention, receive written ensure vulnerable includes young unsuitable making help demonstrated hit home drunk! We've been purchasing a lot of fiction, plays, and poetry. Please ask us about these on your next visit if you'd like to view them.

All year long our Year 10 peer tutors and Year 7 tutees have been meeting up in the library each morning to read through information texts and stories to improve literacy levels at the school. This year’s group was outstanding and congratulations to everyone who made 2013 another successful year for the program. There are still a few places remaining for tutors in 2014 so any Year 9 student who’d like to get involved in this rewarding program next year, pop into the library and let me know.

Just a reminder to all students and staff... We will be conducting the library stocktake in Week 8 (starting 25th November). Books can remain on loan over this period but please return overdue books by this date. Loans can be extended if you let us know.

CAPA UPDATE

Congratulations to all of the students who participated in making Year 10 CAPA Evening a huge success. Well done to all!

Thank you to the parents, who attended the HSC CAPA Information Evening on Tuesday, 15th October, 2013. We hope the evening helped to answer any questions you may have had about the HSC courses.

Students from the Year 11 Drama class really enjoyed HSC Individual Project Study Day at NIDA that they attended on Tuesday, 29th October 2013. They are looking forward to their next excursion to Sydney Theatre Company to view Waiting for Godot on Monday, 18th November, 2013 at the Sydney Theatre Company, Walsh Bay. Permission note and payment is due to the Student Office 13th November, 2013. Be organised!
Congratulations to Jennifer Freeman for her nomination for OnStage 2014. OnStage is a showcase of outstanding HSC Drama works from 2013 and Jennifer has been nominated for Scriptwriting. We wish her the best of luck with this nomination.

Congratulations to Brooke Murray from Year 10 on her selection for Fast and Fresh Dance. She will be performing her composition during Week 6 at Parramatta Riverside Theatre. Good luck, Brooke!

The next CAPA Evening will be Year 9, A Christmas CAPA on Tuesday, 3rd December, 2013. Please come along and support the Drama, Dance, Music and Visual Arts classes and ensembles. Tickets will be on sale from the Student Office in Week 7 and are $5.00 for all. Doors open at 7.15 pm. See you there!

There are still a few Dance Calendars available for purchase from the Student Office. The calendar would make a great Christmas present and is an excellent memory of this year’s routines.

The first major Rehearsal and second Segment Rehearsals for Schools Spectacular, 2013 are all complete. The students should now have received the information for the show week and Permission notes and payment for transport and costumes are due to the Student Office by Monday, 25th November, 2013.

Many thanks to all of the students, parents and staff who attended the excursion to view Grease, the Musical at the Lyric Theatre on Tuesday, 22nd October, 2013 from 5.00 pm. We just made it to our seats for the start, but we had an amazing time!

The Vocal Ensemble, Ballroom Dance Ensemble, Dance Company and solo vocalists will be performing, on behalf of the school, at Light Up Camden on Saturday, 16th November, 2013. We will be performing on the Schools’ Performance Stage from 5.55 pm – 6.15 pm. Permission notes are due to the box in the Studio by the 13th November, 2013.

The School Musical Cast for 2014 will be performing at the Carrington Retirement Village Nursing Home on Wednesday, 20th November 2013 from 1.00 pm. It is a great opportunity for the students to perform some of their musical items they have been working on over the past few weeks and spend some time with members of our local community.

Congratulations to all of the students who participated in the Design an Ad competition with The Advertiser. Special mention to Kelsey Humphries who received a Highly Commended for her design Adtrans Hino. Selena Heness and claire woodsmaryrose muscat’s designs were also featured in the Design an Ad feature in the newspaper. Well done to all!

I would like to take this opportunity to thank the Elderslie High School Stage Crew for their hard work during Terms 1, 2 and 3. These students give up a lot of time and put in a lot of hours behind the scenes at all of the major school events. Well done to all!!

I would like to take this opportunity to thank all of the parents who assist with aspects of the performing arts, without your help the students would not achieve such excellent results or experience as many fantastic opportunities. So during 2013, come along and enjoy the performances of our talented CAPA students.

CAPA Faculty

PRESENTATION EVENING 2013

The annual Presentation Evening is on Tuesday, 17th December 2013 at Camden Civic Centre from 7.15 pm. This is shaping up to be a wonderful evening with over 200 students receiving awards for leadership, academic, agricultural, cultural and sporting achievements at Regional and State level during 2013. Students receiving awards will be given a letter by the end of Week 8 that details the organisation for the evening. There will also be some dance and music performances on the evening. Please come along and celebrate the achievements of the wonderful students from Elderslie High School.

GIFTED AND TALENTED PROGRAM

At Elderslie High School there are many programs happening to enhance student learning in faculty areas. The Gifted and Talented program is designed to support what is already happening in classrooms and to offer students some extra opportunities.

During Week 8 the students from the Gifted and Talented program will be participating in a final workshop for 2013. Morning Tea will be provided for the students on that day. Information sheets about both of these events will be given to students in coming weeks.

Stay tuned for more exciting things happening for the Gifted and Talented students at Elderslie High School.

TAS – HOME ECONOMICS UPDATE

YEAR 10 CHILD STUDIES

Our year 10 Child Studies just completed our last major project which was to create an original design of a baby bunting. Throughout this assignment we learnt to show our artistic side and further increase our sewing, drawing
and designing skills. Everyone had their own individual bunting from pacman to cat in the hat, to phrases and names such as “Eliza”. It was amazing fun and a great way to finish our last practical assignment. We will miss Child Studies.

Samantha Burgin and Stephanie Brown

Year 12 DESIGN & TECHNOLOGY
After a lot of hard work and commitment the Year 12 Design and Technology finally completed their Major Design Projects. These projects were showcased in the Drama Studio where they were marked by the HSC markers. We had an array of innovative and creative projects ranging from onesies, an interactive wall hanging, Indian inspired cushions, a foot stool for the elderly, an organiser for Year 7 students, a play tent for children and a room divider. Congratulations Year 12.

SYDNEY TOWER EXCURSION
I had the pleasure of accompanying year 11 Hospitality students to the Sydney Tower Restaurant. Firstly we were given an educational tour through their commercial kitchen and fine dining restaurant. Then we were given a delicious Buffet lunch in the revolving restaurant where we had the opportunity to taste foods from a variety of different cuisines. An enlightening and fun day was had by all.

YEAR 10 TEXTILES & DESIGN
Congratulations to Catherine Lambeth and Sophie Lindsay as their entries were selected for inclusion in the Textile Art Piece Challenge exhibition. The exhibition will be held in Sydney at Rosehill Gardens Racecourse from 6 until 9 of March 2014. Congratulations to Elizabeth Laria as her entry received a Certificate of Achievement.

FORTY HOUR FAMINE 2013
2013 has been another very successful year for the dedicated group of 35 Elderslie High school people who participated in the Forty Hour Famine. A fabulous total of $3133.20 was raised this year!!! Lots of students had fun working out what they would do without for the forty hours required and from all reports things went well. Simon Binns from Word Vision addressed the school twice with inspirational stories to help with motivation in this worthy cause and he has already presented the school with a certificate in recognition of our effort.

As always it was stressed to students that ANY AMOUNT of money collected was most welcome but there are some participants who need special commendation for their outstanding effort. Congratulations Alison Summers on raising $420!!!! Nicole Ascaino and Miss Malcolm raised over $200, and Ava Crossley, Keegan Harvey-Marks, Hayley Luc, James Broad-Rouen, Breanna Humphries, Abby Sklenar, and Chloe Williamson all raised over $100.

A huge thankyou to ALL participants in the Famine who are certainly living out the ‘Service’ aspect of our school motto ‘Excellence, Honour and Service’! They are looking beyond their mostly very fortunate lives and gaining an insight into the problems of the wider world! All students should have received their appreciation certificate from World Vision during Roll Call. I look forward to seeing many students collecting sponsor booklets when the time comes again in 2014.

# BYOD Device Requirements Checklist

**Wireless Connectivity**

Wireless Connectivity is key to BYOD devices in schools! Devices must support 5GHz dual band wireless or 802.11 a/b/g/n (Make sure it supports both 'a' and 'n').

**Operating System**

To ensure the latest programs and software are compatible, we recommend the current or previous version of any operating system. E.g. iOS 6 & 5 for iPads/iPods.

Ensure the screen is of a reasonable size to enable ease of use throughout a school day.

**Other essential considerations**

- **Casing:** Needs to be tough and sturdy, can it be dropped without breaking?
- **Weight:** Is the laptop light enough for your child to carry each day?
- **Durability:** Consider the overall durability of the device, are the keys and inputs sturdy?

Look for a tough and thick outer shell

Remember this device is expected to last several years

**Accessories**

- **Carry Case:** A carry case or skin is essential in protecting your device and can provide ergonomic advantages
- **Insurance:** Devices can become lost or be broken easily at school, make sure your policy covers these eventualities
- **Warranty:** Make sure you consider purchasing extra warranty to reduce future repair costs as these devices will be used extensively
