PRINCIPAL’S REPORT

I start my report with news that we are once again experiencing changes to our teaching staff. Firstly, Mr Hardy (Science) accepted a service transfer to Figtree High School commencing 17 June 2013. Mr Hardy has been at the school for over 10 years and has travelled to Elderslie from the South Coast every day, now his travelling time will be reduced significantly. Mr Russell (Social Science) will be retiring from the DEC before the end of term but he will remain with us as a casual teacher until the position is filled. This once again demonstrates Mr Russell’s support and dedication to the Elderslie High School community. Mr Russell has been a teacher of EHS for over 32 years. This is unprecedented. One might say he is a part of the “furniture”. We would like to thank both Mr Hardy and Mr Russell for all their years of teaching and service to our school. Both have involved themselves in our school community - always considering the best interests of our students. Good luck to both of you!

In the future all schools will be funded using data the school enters on the DEC system in relation to our students and their families. We have realised that this information could potentially be out-dated so we have made it a priority to update the data so that our school is resourced using current information. The documentation was mailed to you last week and we are asking for your cooperation in returning the form by 20th June 2013 to the Student Administration Office.

Our School Environment – the cleanliness of our school is often a topic of discussion amongst our community. Last year I highlighted the need to keep all external areas clean and litter-free because many of the areas are used by the PE staff for physical education lessons. Numerous announcements and initiatives have been implemented to try and change the current culture but they have only been “short-lived” or to no avail. It has therefore come to a stage where we need to develop a more focused approach to gain input/feedback from all stakeholders. The executive have already discussed a strategy and this will be presented to the staff, SRC, prefects and P&C for their input/feedback over the next few weeks. When there is general consensus the strategy will be presented to all the students and staff, before it is implemented.

Events for Year 10 – there are two critical events that we are expecting Year 10 and their parents to attend this month. For students interested in a Vocational Education Course offered by the Macarthur Trade Training Centre (specifically, Primary Industries, Construction, Hospitality – Commercial Cookery and Furnishing) there will be a meeting at Camden High School on Monday 17th June 2013 commencing at 6pm. If you are thinking of selecting one of these courses, you should attend. There will be organisations present to assist with questions about apprenticeships and other options. Then on Wednesday 19th June 2013 our school Subject Selection Evening will be held. We are expecting all Year 10 students to attend this event. The only way students can obtain the...
information is to attend the evening. There will be a sign-on sheet to be completed on the evening. Any queries regarding attendance on this evening can be directed to Mrs Martin, Relieving Deputy Principal.

I look forward to seeing all parents on Monday 24th June 2013 for Parent/Teacher Night and on Thursday 27th, Friday 28th or Saturday 29th June 2013 for our school musical “Bye Bye Birdie”.

As this will be our last Parent Bulletin before the end Term 2 I would like to wish everyone a safe and enjoyable school vacation break. Students will return to school for the beginning of Term 3 on Tuesday 16th July 2013.

Examinations

Last week our Year 7-10 students completed their Half-Yearly Examinations. This examination period was interspersed with the NAPLAN (National Assessment Program Literacy and Numeracy) Examinations for students in Year 7 and 9. It was a very busy couple of weeks and no doubt was a steep learning curve for our Year 7 students in particular, for whom this would probably have been their first formal set of examinations. Despite this being a stressful time for the students, I was pleased to note that almost all were well prepared, having organised the correct equipment. Teachers have now begun a busy stage of the school calendar in that they are marking these examination papers to prepare for Half Yearly Reports. NAPLAN tests are sent away to be marked by an external body and due to the fact that these examinations are conducted nationally, the results are not released until September. At this time, students will receive an individualised report showing their performance relative to the national average and also to the school average.

Year 9 Students and the DER Laptops

A number of parents have contacted the school to enquire about the release of the Federally funded Digital Education Revolution (DER) Laptops. Many may recall that the DER laptop scheme was introduced in 2009 and involved the laptops being released to Year 9 students, for 4 years. This program was always designed to run for a limited time and concluded last year. Funding was provided for one more year, allowing schools to make decisions about the best option for their use within the school. As there will be no further releases of individual student laptops to subsequent year groups, quite a large number of schools have made the decision not to distribute them to this year’s Year 9 cohort and instead, to retain them for use by all our students. The school has purchased a number of specially designed re-charging laptop trolleys into which the 2013 laptops are plugged for charging and these are being put into use in various locations around the school. We believe this is the most equitable use of this resource and hope it will provide ongoing access for many students for years to come. It will certainly make use by other year groups such as Year 7 and 8, who have never had their own laptops, a much greater likelihood.

Teenagers, Sleep & Technology Interruptions

I have included for your interest, a recent article from the Sydney Morning Herald about the importance of uninterrupted sleep for teenagers and all children. The article discusses the difficulty teenagers have in concentrating at school when they are tired and the increasingly negative impact of having a mobile phone or other electronic gadgets in a teenager’s bedroom at night. I would implore all parents to read this article and to make a concerted effort to store all family members’ phones in a central household location rather than have them in bedrooms where the likelihood of a message disturbing sleep in increased. I am very aware of the fact that many of our kids use mobiles as alarm clocks but perhaps a more traditional version may allow them to reach the targeted 9.5 hours per night that teenagers are reported to need. The full version of the article can be found at:

Natalie Martin (Relieving DP Years 8, 10, 12)

All the half yearly examinations should be finalised by the end of this week. It is the students’ responsibility to report to the head teacher or classroom teacher on their return to school if they have missed an examination. Students in Years 10, 11 and 12 are required to fill in an illness/misadventure form on their return to school and provide appropriate documentation as to the reason for being absent for an assessment task. Half yearly reports will be issued to students in Years 7 to 11 by the end of Term 2 and parent teacher night is coming up on Monday 24th June.

On Tuesday 28th May a group of 21 students from Year 10 and 11 sat an online Numeracy and Literacy test. The results of this test will be available for these students with the Record of School Achievement at the end of the year. The tests were provided by the Board of Studies and the information provided will help these students if they plan to apply for full time work. I would like to thank Mrs Chanter for supervising these students throughout the day.

Year 10 have two important information evenings coming up. On the 17th June there will be a VET Course information evening at Camden High School and this will provide more information about the Macarthur Trade
Training Centre and the courses offered through this initiative. On the 19th June the school will be holding the Year 10 into 11 Subject Selection Evening which will commence at 6.30pm. Notes will be distributed to students in their next year meeting on Wednesday 12th June. It is a requirement that all parents and students attend this evening as there will be important information delivered on the night.

Our Year 12 School Captains Joel Berrell and Isabella Wisniewska attended Parliament House and Government House on Thursday 30th of May. They participated in a tour of the Legislative Assembly and Legislative Council and were able to view parliament in action. They then visited Government House and listened to Marie Bashir the Governor of NSW and Acting Governor General speak about her role and her job as Governor. Both the captains thoroughly enjoyed this experience and found it informative and interesting to find out more about the politics in Australia.

Over the last few weeks I have been transporting some students to the Sustainable Garden centre at Mt Annan. This activity has been coordinated by Mrs Copland and involves five Aboriginal students. The students have designed some tile art which has been glued onto a garden table. The students have developed a parrot design which is tiled in bright colours. This has been a wonderful contribution to the community and all the students involved have thoroughly enjoyed working on the project.

TAS Home Economics
Year 11 Hospitality
Year 11 Hospitality have been eagerly developing their skills in food preparation. During Weeks 1 and 2 of this term they have been given the fantastic opportunity to take these skills and build on them in the food industry. Students spend a one week period working in our local community. This allows them to develop and enhance the specific industry skills they have learnt in class. It also helps students gain confidence and maturity and gives them a hands on experience and a better understanding of the industry.

Year 8 Mandatory Technology
Year 8 Mandatory Technology worked during Term 1 to design and construct a felt bear. The bear needed to be suitable to use to fund raise for a charitable organisation. The Year 8 students produced a wide range of impressive bears. Designs included superman, ballerina, football, panda and basketball themed bears. Techniques used included applique and embroidery.

Year 8 Textiles and Design
Year 8 Textiles and Design worked on an exciting project during first term – knitting to decorate a bike! The project was initiated by the Macarthur Textile Network who received a grant from Camden Council for the Youth Week project. For some of the students this was their first experience of knitting. They knitted rectangles and squares which were sewn onto different areas of the bike. Members of the community also contributed. The result was spectacular and the bike displayed at venues around Camden and Narellan. Congratulations on a great effort to all who were involved.

Mawarra Public School P&C Trivia Night
You are invited to Mawarra Public School Parents & Citizens Association’s Gala Trivia Night to be held at Gledswood Homestead & Winery on Saturday 22nd June 2013.

This fun filled night will include silent auction items, raffles, games and prizes galore. Come dressed with a fancy, fun, outrageous accessory (think hats, scarves, flashing jewellery, wigs etc). Prizes will be awarded.

If you would like to book a table please contact the school on 4658 0990 or download a ticket order form from the P&C tab of the school website: mawarra.p.school@det.nsw.edu.au.

Cost per person is $20, which includes a nibbles platter to share with your table. Drinks and snack menu will be available at the Bar. This event is open to the public so get together a team of friends, family or work mates.
Social Science

Year 10 Geography Excursion
Students of Year 10 Geography had an opportunity to put their classroom learning into practise. Year 10 went on an excursion to Windang/Warilla Beach where they investigated the effects of both human and physical aspects of their focus study ‘Coastal Management’. Through the joint efforts of our schools Social Science teachers and educators of the Illawarra Educational Centre, students were able to investigate dune erosion, longshore drift and management strategies of coastal issues through practical and visual tasks. Well done to all students who attended and thank you to Mr Russell for organising the excursion. Also thank you to Ms Wheeler, Mr Sanderson and Ms Macri for attending and supporting our students.

“NSW Premier’s Student Volunteering Awards”

Years 9 and 10
Get involved now. It is easy to be a part of this worthwhile award scheme, it may help you get a job or even a scholarship when you try for university.
The NSW Premier’s Student Volunteering Awards program encourages all students to undertake a minimum of 20 hours of volunteering during the time they are in Years 9 and 10. In appreciation of this contribution to the community, students will receive Premier’s Certificates (Bronze, Silver, Gold, Diamond and Black Opal respectively) for completing 20, 40, 60, 80 or over 150 hours of volunteering.

Now is the time to log onto the site and begin to enter your hours. There are many ways to volunteer around the school or in the wider community. There are our Peer Mentors, Duke of Edinburgh Award students, Peer Reading Tutors, Reader /writers, Stage Crew, assisting with animal welfare, coaching, referring and Animal Nursery helpers who are volunteering regularly for the benefit of our school and students. Do help any neighbours or elderly friends?

How To Log On
All students from Years 9 and 10 are welcome to join the Award Scheme and there are many volunteering opportunities available to participate in.

Log on to the student portal and follow the “other sites” prompt. Scroll down until P and find the Premier’s Student Volunteering Awards then enter new activity. If you required assistance see Mrs Rouen, Mr Kafataris or Miss Zammit for help enrolling.

News from the ATSI students...

Indigenous Mosaic
Over the past 8 weeks a group of indigenous students have participated in designing and creating a mosaic at Mount Annan Sustainability Centre. The mosaic is being assembled on a table top and will remain at the sustainability centre, and be open for the public to view and use.

The students that have been involved in this voluntary project are, Tahlia Simpson, Lori Craker, Zac Cornish, Tiana Templeton, Catherine Lambeth. We would like to thank the teachers involved in driving us there and back, we would especially like to thank Mrs Copland and the other teachers on the Aboriginal education team for organising this project and supporting us through the duration of the course.

Designing the table was great fun and we got to know each other and to become friends, most us hadn’t met before and it was a really good opportunity to talk and to realise what each of us have in common. We now know we’ve got friends out there in the playground and we can look out for each other!

The mosaic reflects our indigenous culture by incorporating Australia flora and fauna, and depicts a cockatoo against a blue skyline sitting in a gumtree. The border was composed of a snake in the Aboriginal colours of red, black and yellow to symbolise the flag and to celebrate all aboriginal cultures, languages and peoples.

Watch this space!
Over the next couple of weeks we will be completing the table and will share our photos with you.

Catherine Lambeth (Yr 10) and Lori Craker (Yr 8)
Breakfast Club
We all know the importance of a good breakfast in the mornings and so since the start of term 2, we have been running a breakfast program twice a week on Mondays and Tuesdays. The purpose of the Breakfast Club is to provide free food to any student or member of the school without cost or obligation to them, ensuring they start the school week positively and full of energy. ‘Brekkie Club’ is open for anyone to attend before roll call between 8 – 8.45am. Located in food lab 1, students are provided with cereals, milk, juice, Milo, fruit and toast. Pancakes and croissants have also proved popular additions. In the short time it’s been running we’ve seen between 10 and 20 people each week attending and the students’ response has been very positive, “why can’t we do this every morning?”

In my role as chaplain I provide a listening ear and a caring presence to the school community. My focus is to support the well-being of the students and provide pastoral care or spiritual support if requested. I am available at the school on Mondays and Tuesdays and can be reached through the school office at other times. If I can be of any assistance, please do get in touch.

Debating and Public Speaking Update
The Plain English Speaking Award is an annual event held by The Arts Unit. The competition was held on Friday, 4th May, 2013 at Elderslie High School. This year Erin Middleton from Year 11 and Lachlan Macdonald from Year 10 represented Elderslie High School in the competition. Erin won this event and went on to also win the Regional Final on the 22nd May, 2013 at The Arts Unit, Lewisham. Good luck to Erin in the State Semi-final on Friday, 14th June, 2013.

Lillian Ralston and Hannah Trethewy from Year 8 auditioned to be Regional Comperes in 2013. Both girls were successful with Hannah set to host the South Western Sydney Dance Festival during Week 6 of this term. Congratulations to Hannah and Lillian!

Congratulations to the Year 12 Debating team, consisting of Claire Meikle, Clair Garrity, Jennifer Freeman and Isabella Wisniewska on their win over Campbelltown Performing Arts High School in Round 3. The Year 12 team has now won the zone and will debate Macquarie Fields High School in the Regional Semi-Final in the next week.

The Year 11 Debating team, consisting of Madeleine Newcombe, Elizabeth Knowles, Isabel Suleau, Zoe Martin and Todd Thurlow will be completing their Round 2 and 3 Debates in coming weeks.

The Year 9 Debating team consisting on Jonathan Khalil, Mara Aplin, Emily Morgan and Janaye Farrell won their Round 1 Debate against Camden High School and are looking forward to their Round 2 encounter against Picton High School next week. The Year 10 Debating team consisting of Lachlan Macdonald, Andrew Loomes, Alexander O’Flynn, Brooke Murray and Stella Kowalick won their Round 2 Debate against Camden High School and are looking forward to completing their Round 1 Debate in the next week. They are a bit out of order due to examinations.

The Year 7 and 8 debating team will begin training in the next few weeks. Good luck to all of our teams in the weeks to come!!!

STUDENT DETAILS UPDATE & PAYMENTS
Just a reminder to parents and guardians that the student update details together with a schedule of payment notices have been mailed to all families.

It is extremely important the "Student Details Update" form is completed and returned for every student even if details have not changed. Please return completed forms to the student office. There is a collection box in the foyer.

If there are any problems with the schedule of payments/invoices eg, incorrect elective courses, then please contact the Student Administration Office as soon as possible so that the necessary amendment/s can be made and a correct invoice issued.

If parents have difficulty paying the whole amount, partial payments can be made. Where difficulties exist, please provide a letter briefly outlining the circumstances marked “Private and confidential” to Mrs Fawcett.
