## SUBJECT SELECTION INFORMATION

Choose subjects YOU want to do. Choose subjects you ENJOY. Choose subjects AT WHICH YOU EXCEL.

### HSC REQUIREMENTS

- 2 Units of English
- At least six units of BOARD DEVELOPED courses
- At least three courses of two units or greater
- At least four subjects
- You must satisfactorily complete each course. This includes practical, oral or project work required for specific courses and the assessment requirements for each course
- You must study a minimum of 12 units in the Preliminary course and 10 units in the HSC course

### JAI REQUIREMENTS

- 2 Units of English (these will both be counted in UAI calculations)
- At least eight units of Board Developed courses. Only 2 Units of CATEGORY B subjects are counted in UAI calculations (you can do more, but they won't count). The Category B subjects are all VET courses and Industrial Technology
- At least four subjects

Remember you need an appropriate Universities Admission Index (UAI) to be offered a university place.

When considering university options consider choosing courses which match assumed or recommended knowledge advice from universities.

### CHECKLIST (Please tick)

- a) I have considered carefully my plan of study for Years 11 and 12 when making my choices, especially taking into account points (b) and (c) below.
- b) I have chosen at least 6 units of **BOARD DEVELOPED COURSES**.
- c) I have chosen three courses of at least 2 unit value.
- d) I understand there is no guarantee that the course I have selected will operate.
- e) I understand that I must choose at least 10 units of **BOARD DEVELOPED COURSES** if I wish to meet UAI requirements.
